Charlestown High School

Class of 2022

Message from the Principal

To the 2022 Graduating Class of Charlestown High School:

It is with great pride and excitement that I extend to you, on behalf of the hard-working and caring faculty and staff, a hearty congratulations!

More importantly, I want to thank you - THANK YOU for your efforts and presence, thank you for giving us the opportunity to know you, thank you for being the wonderful people you are, and thank you for speaking truth and helping us improve.

To live and go to high school in Boston during the past few years is adventure enough, but to have done it through a pandemic of historical proportions is a never-before-attempted feat. I would like to say that the ordeal has made us all stronger, but mostly it's just felt like an ordeal. Nevertheless, seeing your faces (well, from the nose up!) everyday has emphasized, for each of us, why we come to the building every day.

No matter what you choose to do after CHS, please know that we are here to cheer, support, advise, and celebrate should you have need of us - you will always be family!

Congratulations, and best wishes for health and happiness in your future endeavors!!

Best regards,

Joel Stembridge
